Transfer Enquiry Authorisation Form

This form is to request the Greater Gwent (Torfaen) Pension Fund to investigate a pension transfer from a previous pension provider into the Local Government Pension Scheme (LGPS)

Please complete a separate form for each previous pension that you want us to investigate.

PLEASE NOTE – Completing this form does not commit you to transferring your pension. We will ask your previous pension provider for a transfer value and send you the details of how much pension the transfer value would buy you in the LGPS before asking for your decision.
